The diagram illustrates the Huffman tree construction process. It shows the initial list of characters (a, b, cd, d) and the iterative merging of nodes to form a binary tree. The final tree structure is shown at the bottom, with leaf nodes labeled a, b, c, and dee.

f		g	L

a	b	J
c	d	e
f	g	L

The diagram shows a 3D grid with three rows and three columns. The top row contains labels 'a', 'b', and 'J'. The middle row contains labels 'c', 'd', 'e', and 'K'. The bottom row contains labels 'f', 'g', and 'L'. A yellow bar is positioned above the top row, a green bar is positioned above the middle row, and a red bar is positioned above the bottom row. A blue bar is positioned to the right of the middle row. A black L-shaped line is positioned to the right of the middle row and below the top row.
